Veterans Transportation Service

VA is sensitive to the problems Veterans face in traveling. To access their VA Health care benefits, particularly those who are visually impaired, elderly, or immobilized due to disease or disability, and those living in remote and rural areas. Though the years, Disabled American Veterans (DAV) and other Veteran Service Organizations (VSO's) have met the needs of those Veterans in getting to their health care appointments by providing transportation services. VTS in no way replaces those services—but complements them. VTS joins with Voluntary services to support VSO's and provides enhanced transportation options for Veterans, especially those with disabilities and in remote areas

The Veterans Transportation Service is a network of transportation service providers including:

- Veteran Service Organizations (VSO's);
- Community and commercial transportation providers;
- Federal, state and local government transportation services
- Non-profits, such as United we ride, operating within each Veterans Integrated Service Network (VISN) or local facilities.

What is VTS?

VTS is the Veterans Transportation Service. VA's VTS program is used to pick up Veterans and take them to their VA Medical Facility for appointments.

Veterans Transportation Service

Many times, we are the first and the last person Veterans see from the VA on their appointment day.

VTS staffs are there to provide transportation assistance to Veterans to the local Medical center or clinic. VTS works to get Veterans safely to medical appointments with efficiency and respect.
